

Memorial and Honorarium Program

Majorie McCune was the first blind caseworker with the NC Division for the Blind in Buncombe County. She dreamed of a “happy home” with a compassionate and caring staff that could assist the blind in their daily chores and activities, while restoring their pride and dignity. In the early 1970's she approached the Lions Club with her idea to care for those struggling to care for themselves.

The Lions of Western NC, then known as District 31A, now known as District 31L, responded by forming the Western NC Lions Foundation, Inc. and building the Majorie McCune Center. This center now operates under the name of the Majorie McCune Assisted and Independent Living Community. This community includes a 64-bed facility for those needing assisted living care, 10 independent living cottages, and welcomes not only the blind but persons with a range of various needs.

Memorials and Honorariums to the Majorie McCune Assisted and Independent Living Community are an ideal way to honor a friend or loved one and help the support the Lions of District 31L in their efforts to enhance the physical, emotional, and spirit needs of all residents, with independence, freedom of choice, and dignity in a homelike environment.
